Art. No. 901454M - Insole PerfectFit Safety medium / red
 Art. No. 901454W - Insole PerfectFit Safety wide / yellow
 Art. No. 901454N - Insole PerfectFit Safety narrow / blue

901454-W / -M / -N

PU foam shape: functional, safe, breathable and comfortable, 100 % polyester fabric,
 yellow 4 mm - W, red 6 mm - M, blue 8 mm - N

Material

100 % polyester fabric for moisture distribution. The distribution of the foot moisture on these fibers results in a faster transport and drying effect.

Mid-layer

Open-cell PU foam with high moisture absorption, with very good shock absorption over the entire sole area. Three different thicknesses = three different widths. (see box*)

Base layer

Half shell made of PU material with stronger foam for heel to arch support.

Perfect-fit™

Mark for optimal verification of the correct shoe size.

Other

Embossed structures and channels on the top and bottom provide better aeration. Increased foot support through a special padding.

Available for the following shoes:

www.haix.co.uk/spare-parts/

3 different thicknesses*

yellow = wide / thin insole
 red = medium / average insole
 blue = narrow / thick insole
