Technical Data for:

MARA GTX 500 15W-40

Description:
MARA GTX 500 15W-40 is a premium multigrade mineral motor oil intended for gasoline and diesel engines. It offers unparalleled engine protection, protection against wear and corrosion, while ensuring optimal cleanliness. Specially adapted for older models of vehicles manufactured before 2001. Made for gasoline engines with or without catalytic converters and diesel engines equipped with direct injection, turbochargers or common rail systems.

Benefits:
- Ensures optimal performance even in the most demanding climatic conditions
- Provides exceptional engine protection
- Reduces wear and corrosion

Specifications:
API SL/CF
ACEA A3/B4
MB 229.1

Typical characteristics:

Test	Unit	Results
Colour	-	brown
Kinematic viscosity at 100 °C	[mm2/s]	15
Viscosity index	-	129
Pour point	[°C]	-25
Flash point	[°C]	220

Storage:
Please store in a well-ventilated, dry, and cool area, away from direct sunlight and out of reach of children.
